Culture Trip NYC
Published: 28 June 2016

Are you passionate about the cinematic arts? The [Long Island International Film Expo](#) features numerous film screenings, competitions, and prizes for those who submit short films. Tickets to the event grant access to exclusive film screenings that provide participants

with the opportunity to see the industry's newest talent, as well as panels in which filmmakers discuss their passions and their work. Named one of the 'Top 25 Coolest Film Festivals in the World' by *Moviemaker Magazine* and one of the 'Top 10 Hottest Summer Festivals in the United States' by Audience Awards, be sure to get your tickets and stop by to see what all the fuss is about.
