ATOMIK AGE PROJECT: The "Old Days" music video by the Atomik Age Project band was recognized at the 18th annual 2015 Long Island International Film Expo in Bellmore. The past two years have been exciting for the Atomik Age Project. In 2014, they won the "Best Original Pop Soundtrack" award for their Beatles tribute song, "4 Ever Fab," at the Garden State Film Festival in Atlantic City. From left are Christina Dempsey, Phil Curcuru, Jim Ceribello and Lou DiNatale.
