

Command Performance Productions Presents

# Successful Film Producing & Financing: Making Your Film Happen!

**Saturday, April. 26 from 10:00 am – 2:00 pm**

**LIU Post**

**720 Northern Boulevard**

**Kahn Discovery Center**

**Brookville, NY 11548**

This acclaimed and intense 4-hour workshop is for working actors, writers, directors, filmmakers, producers, investors, and entrepreneurs who want to produce films. This is an insider's presentation to uncover what one needs to do to produce a film, play, web series, fictional or reality TV series. It is based on 25 years of analysis of the qualities and practices that successful film producers share.

## About Jim Jermanok

Jim Jermanok is an award-winning writer, director, producer, creative success expert, consultant and speaker. He recently authored a book, "Beyond the Craft." Jim has made five acclaimed features

including "Em," "Passionada," and "Agganis." Passionada was released by Columbia TriStar in over 150 countries. His latest film "Em" recently won the Grand Jury Prize at the Seattle International Film Festival and the Criterion International Inspiration Award.

Jim started his career as an ICM (International Creative Management) Agent where he represented Alan Arkin, Helen Hayes, Arthur Miller, Shirley MacLaine, Dudley Moore, Henry Winkler and General H. Norman Schwarzkopf, among others. There he was privy to understanding and studying how actors, writers, directors, and producers succeed in the entertainment industry.

## Jim will cover:

- Selecting and researching the right script
- Distinguishing yourself and your projects
- Pitching yourself and your projects
- Where the financing comes from
- How to find, approach, research, and convince investors
- How to produce or invest in theater, television, and new media
- Current status of the independent film industry
- Effective networking and an easy network system
- Distributors and sales agents—what you need to know

**Admissions: \$97**

**Early Bird Discount: \$87 by April 12<sup>th</sup>**
