My older brother William passed away in 2016 from addiction. Like many of the insanely talented people involved with Charlie Boy, I aim to bring honor to the loved one I've lost, and dedicate my performance and any success to Will," Morrissey Jr. explains.

Charlie Boy director Timothy Hines says, "Dave Morrissey Jr. has it - that "it" factor where you can't take your eyes off of him. Dave's a consummately trained actor but one who has also found his game. He really understands his craft and everything he brought advanced the storytelling of Charlie Boy. I would work with Dave again and again."

"We needed something very specific for the role of Shakes in CHARLIE BOY and I can't tell you enough how delighted I am to have found Dave Morrissey Jr. for this very special co-starring role," comments producer Susan Goforth who is producing CHARLIE BOY alongside Greg Kritikos. Goforth adds, "When I first saw Dave's work I instantly knew we found our Shakes. Morrissey Jr. is perfect alongside Kritikos' Charlie Boy and, combined with Frederick Stroppe's comedic writing, the leadership of director Timothy Hines and executive producer Dominick Martini and a heaven-sent cast and crew, and I knew CHARLIE BOY would turn out a winner. I can't wait for the world to see this one get knocked out of the park."
